

Year 6 Magic Box Project

In English, we have been looking at The Magic Box poem by Kit Wright. Your task is to design and make your own magic box. You can do this in any way that you like. You might like to decorate a box or make your own from scratch! It might be a memory box, a happy box, an adventure box...the possibilities are endless.

We are looking for excellent effort. Good luck!

Deadline: Friday 12th October
