

St Michael's VA Junior School

Mrs Stapleton, Mrs Hardy, Miss Killett, Mrs Brabbin and Mrs Lewis are pleased to welcome the children back after the Easter break. It has been such a pleasure to hear about their holiday and the different things they did with family.

SATs Preparation

The children

We are very impressed with the revision children took part in over the holidays. SATs Revision club is still running every lunchtime, children can attend (from 12:45 -1:05pm) and teachers will be present to support your child with any difficulties they may have. Please remind your child to bring their revision books with them. The maturity and effort the children are putting is a credit to them.

St Michael's

In the run up to SATs the children have split into 6 groups for reading comprehension, maths and Spelling Punctuation and Grammar (SPaG) lessons.

This has had an extremely positive impact with class sizes averaging 15 pupils and at least 2 adults per class. We are also providing individual or small group interventions to help those children who need a little extra support.

Parents/Carers

Thank you for all your support, it is important that we all keep an eye on our children's wellbeing during the next few weeks. If you have any concerns about your child's wellbeing or anxiety about the SATs please contact us.

Reminder about PE Kit

In games children are taking part in striking and fielding activities like rounders and cricket. Please make sure your child has appropriate outdoor kit including trainers or plimsolls for PE on a Friday. As you know, PE is an important part of your child's education. If they are unable to participate please send a note.

Healthy Snacks and Water Bottles

Please remember to bring in your own healthy break time snacks like a sandwich, fruit or raisins in a plastic pot (no wrappers please). No crisps or chocolate!

Please bring a water bottle in- we have water coolers in our classrooms, so there is always access to clean, cool water.

IMPORTANT DATES

- 6th May Bank Holiday- school closed
- SATs Week 13th May - 16th May
- RSE (Relationships & Sex Education) Week 20th May - 24th May

Coming Soon

Preparing for transition to high school .

Aspirations- Business and enterprise activities.

Horstead residential trip- further information to follow.

Art Project- We Need Your Help!

We have an exciting local art project planned and we will be creating artwork using paper for recycling. Please can you help us by collecting and bringing in any recyclable paper or thin card such as wrapping paper, newspapers, cards, magazines and flyers. There will be a collection box in every classroom.

Lots of science, drama, art, design, music and ICT activities have also been planned for after SATs.
