

St.Michael's V.A. Junior School is taking part in a **major music project** in response to the Covid-19 pandemic and **we would love for your child to be involved!**

Into Opera worked with the school in July to try and find out what it was like to be a child in 2020 and to encourage children to open up about this challenging time.

They have taken the words the children shared and collaborated with one of the **UK's finest classical and jazz composers, Will Todd, to create six songs about being a child in 2020, for these schools to premiere on YouTube in December!**

The songs are truly beautiful and the children have begun learning them this week in school.

If you would like your child to have the opportunity to perform and record these songs with us, then we need you to give your permission in the form below.

We hope your answer is a *big YES!*

Here is the link to give your permission
