

## Year 4 Home learning Links

This document provides links to home learning lessons, found on Oak Academy. The lessons have been matched appropriately to the learning focus in the St Michael's maths medium term plans. By clicking each link, this will take you directly to the specific lesson (each lesson is comprised of a teacher led explanatory video, an introductory quiz, a worksheet and a final quiz). These links can be set for home learning (as relevant for the week of the medium-term plan). For further reference, the name of the Oak Academy unit that the lessons can be found in has been included along with the number of the specific lessons within that unit. The units are from this year group unless otherwise stated (in brackets after the unit name).
