

WHOLE SCHOOL POLICY FOR SAFEGUARDING INCORPORATING CHILD PROTECTION

All Angels' Federation

Formally adopted by the Governing Body of All Angels' Federation The policy has been updated in line with COVID-19 guidance (see appendices 2 and 5) 11-06-2020	
On:	September 2020
Chair of Governors/Trustees:	Rosemary Games
Review:	September 2021

Policy Consultation & Review

This policy is available on our school website and is available on request from the school office. We also inform parents and carers about this policy when their children join our school and through our school newsletter.

We recognise the expertise our staff build by undertaking safeguarding training and managing safeguarding concerns on a daily basis and we therefore invite staff to contribute to and shape this policy and associated safeguarding arrangements.

The policy is provided to all staff at induction alongside our Staff Code of Conduct, behaviour policy and the safeguarding response to those pupils who are missing from education. In addition, all staff are provided with Part One of the statutory guidance ['Keeping Children Safe in Education'](#), DfE (2020).

This policy will be reviewed in full by the Governing Body on an annual basis. This policy was last reviewed and agreed by the Governing Board on [insert date]. It is due for review on [insert date].

1. PURPOSE & AIMS

1.1 The purpose of All Angels' Federation's safeguarding policy is to ensure every child who is a registered pupil at our schools is safe and protected from harm. This means we will always work to:

- Protect children and young people at our school from maltreatment;
- Prevent impairment of our children's and young people's mental and physical health or development;
- Ensure that children and young people at our school grow up in circumstances consistent with the provision of safe and effective care;
- Undertake that role so as to enable children and young people at our school to have the best outcomes.

1.2 This policy will give clear direction to all staff including supply staff, volunteers, visitors and parents about expected behaviour and our legal responsibility to safeguard and promote the welfare of all children at our school.

1.3 Our school fully recognises the contribution it can make to protect children from harm and supporting and promoting the welfare of all children who are registered pupils at our school. The elements of our policy are prevention, protection and support.

1.4 We recognise that our safeguarding responsibilities are clearly linked to our responsibilities for ensuring that appropriate safeguarding responses are in place for children who are absent from school or who go missing from education, particularly on repeat occasions. The Attendance Lead will regularly liaise with the Designated Safeguarding Lead to discuss all persistently absent pupils and those who go missing to identify the risk of abuse and neglect including sexual abuse or exploitation and to ensure that appropriate safeguarding responses have been put in place to reduce the risk of future harm.

1.5 This policy applies to all pupils, staff, parents, governors, volunteers and visitors.

2. OUR ETHOS

2.1 The child's welfare is of paramount importance. Our school will establish and maintain an ethos where pupils feel secure, are encouraged to talk, are listened to and are safe. Children at our school will be able to talk freely to any member of staff at our school if they are worried or concerned about something.

2.2 Everyone who comes into contact with children and their families has a role to play in safeguarding children. We recognise that staff at our school play a particularly important role as they are in a position to identify concerns early and provide help for children to prevent concerns from escalating. **All staff are advised to maintain an attitude of 'it could happen here' where safeguarding is concerned.** When concerned about the welfare of a child, staff members must always act in the **best interests** of the child.

2.3 All staff and regular visitors will, through training and induction, know how to recognise indicators of concern, how to respond to a disclosure from a child and how to record and report this information. We will not make promises to any child and we will not keep secrets. Every child will know what the adult will have to do with any information they have chosen to disclose.

2.4 Throughout our curriculum we will provide activities and opportunities for children to develop the skills they need to identify risks and stay safe. It will include covering relevant issues through Relationship Education, Relationships and Sex Education and Health Education. This will also be

extended to include material that will encourage our children to develop essential life skills. Teaching pupils about how to stay safe and behave online, including identifying risks and how and when to seek support is crucial. Further information can be found in the DfE guidance [‘Teaching online safety in school.’](#)

We provide a broad and balanced curriculum, which our intent is centred on giving our children a curriculum which focuses on keeping themselves safe. It is one of our two rules. It is reinforced by assemblies, friendship weeks, our values and vision. As specific risks are identified for either particular children or whole school, we actively adapt our lessons or invite visitors to address the issues to support our children as fully as we can.

2.5 At all times we will work in partnership and endeavour to establish effective working relationships with parents, carers and colleagues from other agencies in line with [Working Together to Safeguard Children](#) (2018) and the [Norfolk Multi Agency Safeguarding Partnership arrangements](#).

2.6 As part of our responsibilities for safeguarding and promoting the welfare of children, we will provide a co-ordinated offer of early help when additional needs of children are identified. These may include if a child:

- is disabled and has specific additional needs;
- has special educational needs (whether or not they have a statutory education, health and care plan);
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- is frequently missing/goes missing from care or from home;
- is misusing drugs or alcohol themselves;
- is at risk of modern slavery, trafficking or exploitation;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- has returned home to their family from care;
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
- is a privately fostered child.

3. ROLES AND RESPONSIBILITIES

<u>Role</u>	<u>Name</u>	<u>Contact details</u>
Head Teacher Designated Safeguarding Lead (DSL)	Helen McCarney	head@allangelsfederation.org.uk 01603 745812
Deputy DSLs at St. Michael’s	S. Claflin O. Bennison S. Lewis P. Stapleton C. Francis K. Brabbin	01603 745812

Deputy DSLs at Clover Hill	A. Gooch D. Inger V. Chaplin K. Frary	01603 745559
Named Safeguarding Governors	L. Johnson B. Earley	Please contact the school office Please contact the school office
Chair of Governors	R. Games	Please contact the school office

3.1 It is the responsibility of *every* member of staff, volunteer and regular visitor to our school to ensure that they carry out the requirements of this policy and, at all times, work in a way that will safeguard and promote the welfare of all of the pupils at this school. This includes the responsibility to provide a safe environment in which children can learn.

The Governing Body

3.2 The Governing Body of All Angels' Federation is accountable for ensuring the effectiveness of this policy and our compliance with it. Although our Governing Body takes collective responsibility to safeguard and promote the welfare of our pupils, we also have a named governor who champions safeguarding within the school.

3.3 The Governing Body will ensure that:

- The safeguarding policy is in place and is reviewed annually, is available publicly via our school website and has been written in line with Local Authority guidance and the requirements of the Norfolk Safeguarding Children Partnership policies and procedures;
- The school contributes to inter-agency working in line with in line with Working Together to Safeguard Children (2018);
- A senior member of staff from leadership team is designated to take the lead responsibility for safeguarding and child protection and that there is at least one deputy DSL(s) who is appropriately trained member to deal with any issues in the absence of the Designated Safeguarding Lead (DSL). There will always be cover for this role. The role will be evidenced explicitly in the role holder's job description.
- All staff receive a safeguarding induction and are provided with a copy of this policy, the staff code of conduct, the behaviour policy and the school's safeguarding response for those pupils who go missing from education as detailed section 6 of this policy.
- All staff undertake appropriate child protection training that is updated annually and on-line safety training;
- Procedures are in place for dealing with allegations against members of staff and volunteers in line with statutory guidance;
- Safer recruitment practices are followed in accordance with the requirements of ['Keeping Children Safe in Education'](#) DfE (2020);

This policy includes detailed information on the procedures and processes to follow regarding peer on peer abuse, the recognition of it and the different forms it may take.

- They remedy without delay any weakness in regard to our safeguarding arrangements that are brought to their attention.

3.4 The governing body will receive a safeguarding report at each meeting that will record the training that has taken place, the number of staff attending and any outstanding training requirements for the school. It will also record all safeguarding activity that has taken place, for example, meetings attended, reports written, training or induction given. It will not identify individual pupils.

The Head Teacher

3.5 At All Angels' Federation the Head Teacher is responsible for:

- Being the overall Designated Safeguarding Lead
- Identifying alternate members of staff to act as the Designated Safeguarding Leads (DSL) in his/her absence to ensure there is always cover for the role;
- Ensuring that the policies and procedures adopted by the governing body, particularly concerning referrals of cases of suspected abuse and neglect, are followed by all staff;
- Ensuring that all staff and volunteers feel able to raise concerns about poor or unsafe practice and such concerns are addressed sensitively in accordance with agreed whistle-blowing procedures;
- Liaise with the LADO in the event of an allegation of abuse being made against a member of staff or volunteer.

The Designated Safeguarding Leads (DSLs)

3.5 The Designated Safeguarding Leads are members of the leadership or pastoral team who take lead responsibility for safeguarding and child protection within our school.

The DSLs will carry out their role in accordance with the responsibilities outlined in Annex B of ['Keeping Children Safe in Education'](#).

3.6 The DSLs will provide advice and support to other staff on child welfare and child protection matters. Any concern for a child's safety or welfare will be reported on CPOMS, unless in emergencies to use a pink form and given to the DSL.

3.7 During term time the designated safeguarding lead and or a deputy will always be available (during school or college hours) for staff in the school or college to discuss any safeguarding concerns. If in *exceptional* circumstances, a DSL is not available on the school site in person, we will ensure that they are available via telephone and/or any other relevant media.

3.8 The DSLs at All Angels' Federation will represent our schools at child protection conferences and core group meetings. Through appropriate training, knowledge and experience our DSL will liaise with Children's Services and other agencies where necessary, and make referrals of suspected abuse to Children's Services, take part in strategy discussions and other interagency meetings and contribute to the assessment of children.

3.9 The DSLs will maintain written records and child protection files ensuring that they are kept confidential and stored securely.

3.10 The DSLs are responsible for ensuring that all staff members and volunteers are aware of our policy and the procedure they need to follow. They will ensure that all staff, volunteers and regular visitors have received appropriate child protection information during induction and have been trained within the school to the agreed school's [safeguarding training pack](#) provided by Children's Services.

3.11 The DSLs will obtain details of the Local Authority Personal Advisor appointed to guide and support a child who is a care leaver.

3.12 We recognise that a child's experiences of adversity and trauma can leave them vulnerable to further harm, as well as educationally disadvantaged in facing barriers to attendance, learning, behaviour and mental health. The DSL will use the information that they hold about children with a social worker to make decisions in the best interests of the child's safety, welfare and help promote educational outcomes. The DSL will ensure that staff, know who these children are, understand their academic progress and attainment and maintain a culture of high aspirations for this cohort; supporting teaching staff to identify the challenges that children in this group might face and the additional academic support and adjustments that they could make to best support these children.

4. TRAINING & INDUCTION

4.1 When new staff join our school they will be informed of the safeguarding arrangements in place. They will be given a copy of our school's safeguarding policy along with the staff code of conduct, Part one and Annex A of '*Keeping Children Safe in Education*' and told who our Designated Safeguarding Lead (DSL) and Deputy DSLs are. They will also receive a copy of the behaviour policy and the school's response to children who go missing from education – this information is included in section 6 of this policy. All staff are expected to read these key documents. They will also be provided with the safeguarding recording form, given information on how to complete it and who to pass it to.

4.2 Every new member of staff or volunteer will receive safeguarding training during their induction period within a week of joining the school. This programme will include information relating to signs and symptoms of abuse, how to manage a disclosure from a child, how to record, the processes for referral to Children's Services and the statutory assessments under Section 17 and Section 47 as well as the remit of the role of the Designated Safeguarding Lead (DSL). The training will also include information about whistle-blowing in respect of concerns about another adult's behaviour and suitability to work with children. Staff will also receive on-line safety training as this is part of the overarching safeguarding approach of our school.

4.3 In addition to the safeguarding induction, we will ensure that mechanisms are in place to assist staff to understand and discharge their role and responsibilities as set out in Part one of '*Keeping Children Safe in Education*'. In order to achieve this, we will ensure that:

- all members of staff will undertake appropriate safeguarding training on an annual basis and we will evaluate the impact of this training;
- all staff members receive regular safeguarding and child protection updates (for example, via email, e-bulletins, CASPAR staff meetings), as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively;
- staff members use the National Online Safety website to access annual online safety training.

4.4 All regular visitors, temporary staff and volunteers to our school will be given a set of our safeguarding procedures; they will be informed of whom our DSL and alternate staff members are and what the recording and reporting system is. (See Appendix 2). This will be done via a leaflet given out by office staff on entry.

4.5 The DSL, the alternate designated member(s) of staff and any other senior member of staff who may be in a position of making referrals or attending child protection conferences or core groups will attend one of the multi-agency training courses organised by Norfolk Safeguarding Children's Partnership at least once every three years. The DSL and alternate will attend Designated Safeguarding Lead (DSL) training provided by the Local Authority every two years. In addition to formal training, DSL will ensure that they update their knowledge and skills at regular intervals, but at least annually, to keep up with any developments relevant to their role. DSLs access the MI sheets, CASPAR. They attend cluster meetings, regularly attend training and webinars. All staff are encouraged to access the weekly CASPAR (NSPCC) email updates, DSLs give regular national and local updates to staff in staff and year group meetings.

4.6 Our governing body will also undertake appropriate training to ensure they are able to carry out their duty to safeguard all of the children at our school. Training for Governors to support them in their safeguarding role is available from [Norfolk Governor Services](#).

4.7 We actively encourage all of our staff to keep up to date with the most recent local and national safeguarding advice and guidance, Annex A of 'Keeping Children Safe in Education' (2020) provides links to guidance on specific safeguarding issues such as Child Sexual Exploitation and Female Genital Mutilation. In addition, local guidance can be accessed via Norfolk Safeguarding Children Partnership and within the [Safeguarding Section](#) of the [Norfolk Schools website](#)..

5. PROCEDURES FOR MANAGING CONCERNS

5.1 All Angels' Federation schools adhere to child protection procedures that have been agreed locally through the Norfolk Safeguarding Children Partnership. Where we identify children and families in need of support, we will carry out our responsibilities in accordance with [Norfolk Local Assessment Protocol](#) and the [Norfolk Threshold Guidance](#).

5.2 Every member of staff including volunteers working with children at our schools are advised to maintain an attitude of '*it could happen here*' where safeguarding is concerned. When concerned about the welfare of a child, staff members should always act in the interests of the child and have a responsibility to take action as outline in this policy.

5.3 All staff are encouraged to report any concerns that they have and not see these as insignificant. On occasions, a referral is justified by a single incident such as an injury or disclosure of abuse. More often however, concerns accumulate over a period of time and are evidenced by building up a picture of harm over time; this is particularly true in cases of emotional abuse and neglect. In these circumstances, it is crucial that staff record and pass on concerns in accordance with this policy immediately to allow the DSL to build up a picture and access support for the child at the earliest opportunity. A reliance on memory without accurate and contemporaneous records of concern could lead to a failure to protect.

5.4 It is *not* the responsibility of school staff to investigate welfare concerns or determine the truth of any disclosure or allegation. All staff, however, have a duty to recognise concerns and pass the information on in accordance with the procedures outlined in this policy.

5.5 The Designated Safeguarding Leads (DSL) should be used as a first point of contact for concerns and queries regarding any safeguarding concern in our school. Any member of staff or visitor to the school who receives a disclosure of abuse or suspects that a child is at risk of harm must report it immediately to the DSLs or, if unavailable, to the alternate designated person. In the absence of either of the above, the matter should be brought to the attention of the most senior member of staff.

5.6 All concerns about a child or young person should be reported without delay and recorded using CPOMS or if unable to access this on a pink form (Appendix 1).

5.7 Following receipt of any information raising concern, the DSL will consider what action to take and seek advice from the Norfolk Children's Advice & Duty Service (CADS) as required. All information and actions taken, including the reasons for any decisions made, will be fully documented.

5.8 All referrals will be made in line with Norfolk Children's Services procedures as outlined in Appendix 3.

5.9 If, at any point, there is a risk of immediate serious harm to a child a referral should be made to Norfolk CADS immediately. Anybody can make a referral in these circumstances. If the child's situation does not appear to be improving the staff member with concerns should press for re-consideration by raising concerns again with the DSL and/or the Head Teacher. Concerns should always lead to help for the child at some point.

5.10 Staff should always follow the reporting procedures outlined in this policy in the first instance. However, they may also share information directly with Norfolk CADS, or the police if:

- the situation is an emergency and the designated senior person, their alternate and the Head Teacher are all unavailable;
- they are convinced that a direct report is the only way to ensure the pupil's safety.

5.11 Any member of staff who does not feel that concerns about a child have been responded to appropriately and in accordance with the procedures outlined in this policy should raise their concerns with the Head Teacher or the Chair of Governors. If any member of staff does not feel the situation has been addressed appropriately at this point should contact Norfolk CADS directly with their concerns.

6. Specific Safeguarding Issues

Contextual safeguarding

6.1 At All Angels' Federation schools we recognise that safeguarding incidents and/or behaviours can be associated with factors outside of the school environment and/or can occur between children outside of the school. This is known as contextual safeguarding. It is key that all school staff understand the definition of contextual safeguarding and consider whether children are at risk of abuse or exploitation in situations outside their families. Through training we will ensure that staff and volunteers are aware that extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, and serious youth violence. When reporting concerns, staff should include as much information and background detail as possible so the DSL can make a referral with a holistic view of the child. This will allow any assessment to consider all the available evidence and the full context of any abuse.

6.2 We recognise that children with special educational needs and/or disabilities (SEND) can face additional safeguarding challenges and these are discussed in staff training. These additional barriers can include:

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- children with SEN and disabilities can be disproportionately impacted by things like bullying- without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.

6.3 At All Angels' Federation schools we recognise that a previously looked after child potentially remains vulnerable and all staff should have the skills, knowledge and understanding to keep previously looked after children safe. When dealing with looked after children and previously looked after children, it is important that all agencies work together, and prompt action is taken when necessary to safeguard these children, who are a particularly vulnerable group.

Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE): County Lines

6.4 At All Angels' Federation schools we train staff to recognise that both CSE and CCE are forms of abuse and both occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into sexual or criminal activity. Whilst age may be the most obvious, this power imbalance can also be due to a range of other factors including gender, sexual identity, cognitive ability, physical strength, status, and access to economic or other resources. Victims can be exploited even when activity appears consensual and it should be noted exploitation as well as being physical can be facilitated and/or take place online.

6.5 At All Angels' Federation schools we recognise that Child Sexual Exploitation is a form of child sexual abuse and this imbalance of power coerces, manipulates or deceives a child or young person into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator. Child sexual exploitation does not always include physical contact; it can also occur through the use of technology.

6.6 At All Angels' Federation schools we understand that criminal exploitation of children is a geographically widespread form of harm that is a typical feature of county lines criminal activity. Drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to suburban and rural areas, market and seaside towns. Key to identifying potential involvement in county lines are missing episodes, when the victim may have been trafficked for the purpose of transporting drugs. If a child is suspected to be at risk of or involved in county lines, a referral to the Children's Advice and Duty Service (CADS) will be made alongside consideration of availability of local services/third sector providers who offer support to victims of county lines exploitation.

So-called 'honour-based violence (including Female Genital Mutilation and Forced Marriage

6.7 At All Angels' Federation schools we recognise that our staff are well placed to identify concerns and take action to prevent children from becoming victims of Female Genital Mutilation (FGM) and other forms of so-called 'honour-based' violence (HBV) and provide guidance on these issues through our safeguarding training. If staff have a concern regarding a child that might be at risk of HBV, they should inform the DSL who will activate local safeguarding procedures, using existing national and local protocols for multiagency liaison with police and children's social care.

6.8 Where FGM has taken place, since 31 October 2015 there has been a mandatory reporting duty placed on teachers. [Section 5B of the Female Genital Mutilation Act 2003](#) (as inserted by section 74

of the Serious Crime Act 2015) places a statutory duty upon teachers in England and Wales, to report to the police where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. Those failing to report such cases will face disciplinary sanctions. We will provide guidance and support to our teachers on this requirement and further information on when and how to make a report can be found in the following Home Office guidance: [Mandatory Reporting of Female Genital Mutilation- procedural information](#) Home Office (December 2015)

6.9 At All Angels' Federation schools we recognise that forcing a person into a marriage is a crime in England and Wales. A forced marriage is one entered into without the full and free consent of one or both parties where violence, threats or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological. The Forced Marriage Unit has [statutory guidance](#) and [Multi-agency guidelines](#) and can be contacted for advice or more information: Contact 020 7008 0151 or email fmf@fco.gov.uk

Preventing radicalisation and extremism

6.10 We recognise that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society. At All Angels' Federation schools, we will ensure that:

- Through training, staff, volunteers and governors have an understanding of what radicalisation and extremism is, why we need to be vigilant in school and how to respond when concerns arise.
- There are systems in place for keeping pupils safe from extremist material when accessing the internet in our school by using effective filtering and usage policies.
- The DSL has received Prevent training and will act as the point of contact within our school for any concerns relating to radicalisation and extremism.
- The DSL will make referrals in accordance with [Norfolk Channel procedures](#) and will represent our school at Channel meetings as required.
- Through our curriculum, we will promote the spiritual, moral, social and cultural development of pupils.

Peer on peer abuse

6.11 We recognise that children are also vulnerable to physical, sexual and emotional abuse by their peers or siblings. Abuse perpetrated by children can be just as harmful as that perpetrated by an adult, so it is important that all staff and volunteers to remember the impact on both the victim of the abuse as well as to focus on the support for the child or young person exhibiting the harmful behaviour. Such abuse will always be taken as seriously as abuse perpetrated by an adult and the same [safeguarding children procedures](#) will apply in respect of any child who is suffering or likely to suffer significant harm. Staff must never tolerate or dismiss concerns relating to peer on peer abuse; it must never be tolerated or passed off as 'banter', 'just having a laugh' or 'part of growing up'.

6.12 At All Angels' Federation schools all staff are trained so that they are aware that safeguarding issues can manifest themselves via peer on peer abuse. This is most likely to include, but may not be limited to:

- bullying (including cyberbullying);
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- sexual violence and sexual harassment;
- upskirting
- sexting (also known as youth produced sexual imagery); and
- initiation/hazing type violence and rituals.

6.13 All staff will understand that they should follow our safeguarding procedures for reporting a concern if they are worried about peer on peer abuse. The DSL will respond to any concerns related to peer on peer abuse in line with guidance outlined in Part five of 'Keeping Children Safe in Education' and '[Sexual violence and sexual harassment between children in schools and colleges](#)' (May 2018). We will ensure that all concerns, discussions and decisions reached are clearly recorded and any identified actions are followed up.

6.14 We will work with other agencies as required to respond to concerns about sexual violence and harassment. We will seek consultations where there are concerns or worries about developmentally inappropriate or harmful sexual behaviour from the Harmful Sexual Behaviour (HSB) Team as required so that we ensure we are offering the right support to the child(ren). Support will depend on the circumstances of each case and the needs of the child, it may include completion of risk assessments to support children to remain in school whilst safeguarding other children and the victim, delivery of early intervention in respect of HSB and/or referral to [The Harbour Centre Sexual Assault Referral Centre](#) (SARC) where a pupil discloses a rape, an attempted rape or a serious sexual assault whether this has happened recently or in the past. The assault does not have to have taken place in Norfolk but the victim must live in Norfolk to access support. The SARC also has a 24/7 helpline 01603 276381 if pupils or staff need to speak to a Crisis Worker for help & advice. Referral forms can be found on [The Harbour Centre website](#).

Safeguarding responses to children who go missing

6.15 At All Angels' Federation schools all staff should be aware of the safeguarding responsibilities for children who are missing education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual abuse or exploitation, and to help prevent the risks of their going missing in future.

6.16 We adhere to the following procedures and processes to ensure there is an appropriate safeguarding response to children who missing:

- An attendance register is taken at the start of the first session of each school day and once during the second session;
- We make every effort to contact parents and carers and follow up with the emergency contacts held;
- We hold at least two emergency contact numbers for each of the pupils on our roll wherever possible.
- Staff will alert DSLs to any concerns raised regarding children who are absent from school;
- The DSLs will meet regularly with the Attendance Lead, SENCo and other members of the pastoral team to ensure that each response is thorough and takes into account all the relevant information about individual children;
- We will follow the procedures outlined in our attendance policy including undertaking first day calling and monitoring data to ensure we intervene early in cases of poor attendance and/or unexplained absences.
- When removing a child from roll at the standard and non-standard transition points, we will inform the Local Authority in accordance with statutory requirements and pass on all safeguarding files.

Safeguarding responses to children who go missing

6.17 At the schools within the All Angels' Federation all staff should be aware of the safeguarding responsibilities for children who are missing education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual abuse or exploitation, and to help prevent the risks of their going missing in future.

6.18 At the schools within the All Angels' Federation we adhere to the following procedures and processes to ensure there is an appropriate safeguarding response to children who missing:

- An attendance register is taken at the start of the first session of each school day and once during the second session;
- We make every effort to contact parents and carers and follow up with the emergency contacts held;
- We hold at least two emergency contact numbers for each of the pupils on our roll wherever possible.
- Staff will alert DSLs to any concerns raised regarding children who are absent from school;
- The DSLs will meet regularly with the Attendance Lead, SENCo and other members of the pastoral team to ensure that each response is thorough and takes into account all the relevant information about individual children;
- We will follow the procedures outlined in our attendance policy including undertaking first day calling and texting, monitoring data to ensure we intervene early in cases of poor attendance and/or unexplained absences.
- When removing a child from roll at the standard and non-standard transition points we will inform the Local Authority in accordance with statutory requirements and pass on all safeguarding files.
- Attendance administrators inform members of the pastoral team on the second day of absence, where contact with parents, carers or emergency contacts cannot be made, and a home visit is made with two members of staff.
- For more specific information of the internal processes, please see the Covid Attendance Guidance during school opening.

Mental Health

6.19 At All Angels' Federation schools all staff are made aware, through training, that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation. Our staff are well placed to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.

6.20 We understand that where children have suffered abuse and neglect, or other potentially traumatic adverse childhood experiences, this can have a lasting impact throughout childhood, adolescence and into adulthood. Therefore, through training, staff are aware of how children's experiences, can impact on their mental health, behaviour and education. All staff are aware that if they have a mental health concern about a child that is *also* a safeguarding concern, they should take immediate action by passing the information on to a Designated Safeguarding Lead.

6.21 We have clear systems and processes in place for identifying possible mental health problems and work with other agencies as required to respond to these concerns. Designated Safeguarding Leads make reference to the [Mental Health and Behaviour in Schools' DfE guidance for further support](#).

7. RECORDS AND INFORMATION SHARING

7.1 If staff are concerned about the welfare or safety of any child at our school, they will record their concern on CPOMS or if this unavailable on the agreed reporting form (Appendix 1). They should ensure that the form is signed and dated. Any concerns should be passed to the DSL without delay.

7.2 Any information recorded will be kept electronically, securely or in a separate named file, in a secure cabinet and not with the child's academic file. These files will be the responsibility of the DSL. Child protection information will only be shared within school on the basis of 'need to know in the child's interests' and on the understanding that it remains strictly confidential.

7.3 Child protection information will only be kept in the file and this file will be kept up to date. Records of concern, copies of referrals, invitations to child protection conferences, core groups and reports will be stored here. All our safeguarding files will include; a chronology, contents front cover and will record significant events in the child's life.

7.4 When a child leaves our school, the DSL will make contact with the DSL at the new school and will ensure that the child protection file is forwarded to the receiving school in an appropriately agreed manner. We will retain evidence to demonstrate how the file has been transferred; this may be in the form of a written confirmation of receipt from the receiving school and/or evidence of recorded delivery. Where a parent elects to remove their child from the school roll to home educate, the school will make arrangements to pass any safeguarding concerns to the [Services to Home Educators Team](#) within Norfolk County Council.

8. WORKING WITH PARENTS & CARERS

8.1 The Federation is committed to working in partnership with parents/carers to safeguard and promote the welfare of children and to support them to understand our statutory responsibilities in this area.

8.2 When new pupils join our school, parents and carers will be informed that we have a safeguarding policy. A copy will be provided to parents on request and is available on the school website. Parents and carers will be informed of our legal duty to assist our colleagues in other agencies with child protection enquiries and what happens should we have cause to contact Norfolk Children's Advice & Duty Service.

8.3 We are committed to working with parents positively, openly and honestly. We ensure that all parents are treated with respect, dignity and courtesy. We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission, or it is necessary to do so in order to safeguard a child from harm.

8.4 We will seek to share with parents any concerns we may have about their child *unless* to do so may place a child at increased risk of harm. A lack of parental engagement or agreement regarding the concerns the school has about a child will not prevent the DSL making a referral to Norfolk CADS in those circumstances where it is appropriate to do so.

8.5 In order to keep children safe and provide appropriate care for them, the school requires parents to provide accurate and up to date information regarding:

- Full names and contact details of all adults with whom the child normally lives;
- Full names and contact details of all persons with parental responsibility (if different from above);

- Emergency contact details (if different from above);
- Full details of any other adult authorised by the parent to collect the child from school (if different from the above).

The School will retain this information on the pupil file. The school will only share information about pupils with adults who have parental responsibility for a pupil or where a parent has given permission and the school has been supplied with the adult's full details in writing.

The following paragraph should be included for those schools who are signed up to Operation Encompass or deleted as applicable:

8.6 At All Angels' Federation schools, we are working in partnership with Norfolk Constabulary and Norfolk Children's Services to identify and provide appropriate support to pupils who have experienced domestic violence in their household; this scheme is called Operation Encompass. In order to achieve this, Norfolk Multi-Agency Safeguarding Hub will share police information of all domestic incidents where one of our pupils has been present with the Designated Safeguarding Lead(s). On receipt of any information, the Designated Safeguarding Lead will decide on the appropriate support the child requires, this could be silent or overt. All information sharing and resulting actions will be undertaken in accordance with the '[Norfolk Joint Agency Protocol for Domestic Abuse – Notifications to Schools](#)'. We will record this information and store this information in accordance with the record keeping procedures outlined in this policy.

9. CHILD PROTECTION CONFERENCES

9.1 Children's Services will convene a Child Protection conference once a child protection enquiry under Section 47 of the Children Act 1989 has been undertaken and the child is judged to be at continuing risk of significant harm. A review conference will take place once a child has been made the subject of a Child Protection Plan in order to monitor the safety of the child and the required reduction in risk.

9.2 Staff members may be asked to attend a child protection conference or core group meetings on behalf of the school in respect of individual children. Usually the person representing the school at these meetings will be the Head Teacher or DSL. In any event, the person attending will need to have as much relevant up to date information about the child as possible; any member of staff may be required to contribute to this process.

9.3 All reports for child protection conferences will be prepared in advance using the [guidance](#) and [template report](#) provided by the Norfolk Safeguarding Children Partnership. The information contained in the report will be shared with parents before the conference as appropriate and will include information relating to the child's physical, emotional and intellectual development and the child's presentation at school. In order to complete such reports, all relevant information will be sought from staff working with the child in school.

9.4 Clearly child protection conferences can be upsetting for parents. We recognise that we are likely to have more contact with parents than other professionals involved. We will work in an open and honest way with any parent whose child has been referred to Children's Services or whose child is subject to a child protection plan. Our responsibility is to promote the protection and welfare of all children and our aim is to achieve this in partnership with our parents.

10. SAFER RECRUITMENT

10.1 We will ensure that the Head Teacher and at least one member of the Governing Body have completed appropriate safer recruitment training. At all times the Head Teacher and Governing

Body will ensure that safer recruitment practices are followed in accordance with the requirements of 'Keeping Children Safe in Education', DfE (2020). At least one person involved in conducting an interview will have received safer recruitment training.

10.2 We will use the recruitment and selection process to deter and reject unsuitable candidates. We require evidence of original academic certificates. We do not accept testimonials and insist on taking up references prior to interview. We will question the contents of application forms if we are unclear about them, we will undertake Disclosure and Barring Service checks and use any other means of ensuring we are recruiting and selecting the most suitable people to work with our children.

10.3 We will maintain a Single Central Register (SCR) of all safer recruitment checks carried out in line with statutory requirements. A senior member of staff will check the SCR regularly to ensure that it meets statutory requirements.

11. SAFER WORKING PRACTICE

11.1 All adults who come into contact with our children have a duty of care to safeguard and promote their welfare. There is a legal duty placed upon us to ensure that all adults who work with or on behalf of our children are competent, confident and safe to do so.

11.2 All staff will be provided with a copy of our school's code of conduct at induction. They will be expected to know our school's Code of Conduct and policy for positive handling and carry out their duties in accordance with this advice. There will be occasion when some form of physical contact is inevitable, for example if a child has an accident or is hurt or is in a situation of danger to themselves or others around them. However, at all times the agreed policy for safe restraint must be adhered to. A list of staff that have accessed Norfolk Steps training will be kept by the Head Teacher.

11.3 If staff, visitors, volunteers or parent helpers are working with children alone they will, wherever possible, be visible to other members of staff. They will be expected to inform another member of staff of their whereabouts in school, who they are with and for how long. Doors, ideally, should have a clear glass panel in them and be left open.

11.4 Guidance about acceptable conduct and safe practice will be given to all staff and volunteers during induction. These are sensible steps that every adult should take in their daily professional conduct with children. This advice can be found in '[Guidance for Safer Working Practices for Adults who work with Children and Young People in Education Settings](#)' (May 2019). All staff and volunteers are expected to carry out their work in accordance with this guidance and will be made aware that failure to do so could lead to disciplinary action.

12. MANAGING ALLEGATIONS AGAINST STAFF & VOLUNTEERS

12.1 Our aim is to provide a safe and supportive environment which secures the wellbeing and very best outcomes for the children at our school. We do recognise that sometimes the behaviour of adults may lead to an allegation of abuse being made.

12.2 Allegations sometimes arise from a differing understanding of the same event, but when they occur, they are distressing and difficult for all concerned. We also recognise that many allegations are genuine and there are some adults who deliberately seek to harm or abuse children. There may also be circumstances where a member of staff or volunteer is involved in an incident outside of school/college which did not involve children but could have an impact on their suitability to work with children; this is known as transferrable risk.

12.3 We will take all possible steps to safeguard our children and to ensure that the adults in our school are safe to work with children. When concerns arise, we will always ensure that the procedures outlined in the local protocol [Allegations Against Persons who Work with Children](#) and Part 4 of 'Keeping Children Safe in Education', DfE (2020) are adhered to and will seek appropriate advice. The first point of contact for schools regarding LADO issues is via the Local Authority Duty Desk on 01603 307797. A Duty Advisor will give advice and guidance on next steps. If the advice is to make a referral to LADO then the form should be completed. Direct contact details for the LADO are- e-mail: LADO@norfolk.gov.uk or telephone 01603 223693. See Appendix 4 for further details.

12.4 If an allegation is made or information is received about *any* adult who works in our setting which indicates that they may be unsuitable to work with children, the member of staff receiving the information should inform the Head Teacher immediately. This includes concerns relating to agency and supply staff and volunteers. Should an allegation be made against the Head Teacher, this will be reported to the Chair of Governors. In the event that neither the Head Teacher nor Chair of Governors is not contactable on that day, the information must be passed to and dealt with by either the member of staff acting as Head Teacher or the Vice Chair of Governors.

12.5 The Head Teacher or Chair of Governors will seek advice from the LADO within one working day. No member of staff or the governing body will undertake further investigations before receiving advice from the LADO.

12.6 When using a supply agency, we inform the agency of our process for managing allegations against staff and keep them up to date with any policy developments. Where concerns are raised about an individual and the school is not their employer, we recognise that we still have responsibility to ensure allegations are dealt with properly. In order to achieve this, we will liaise with relevant parties including the LADO to determine a suitable outcome. Whilst the supply agency should be fully involved and co-operate with any enquiries from the LADO, police and/or children's services, we recognise that the school will usually take the lead in conducting an investigation as we have direct access to any affected children and other school staff to collect the facts.

12.7 Any member of staff or volunteer who does not feel confident to raise their concerns with the Head Teacher or Chair of Governors should contact the LADO directly on 01603 223693. Further national guidance can be found at: [Advice on whistleblowing](#). The [NSPCC whistleblowing helpline](#) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – line is available from 8:00am to 8:00pm, Monday to Friday or via e-mail: help@nspcc.org.uk.

Concerns including allegations that may meet the harms test should be addressed as set out in Part four of this guidance

12.7 The School has a legal duty to refer to the Disclosure and Barring Service anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity, or would have been removed had they not left. The DBS will consider whether to bar the person. If these circumstances arise in relation to a member of staff at our school, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the LADO and/or HR.

13 RELEVANT POLICIES

13.1 To underpin the values and ethos of our school and our intent to ensure that pupils at our school are appropriately safeguarded the following policies are also included under our safeguarding umbrella:

- Staff Code of Conduct
- Anti-Bullying
- Behaviour
- Recruitment & Selection
- Whistle-blowing
- Attendance
- On-line Safety
- Health and Safety including site security
- Harassment and discrimination including racial abuse
- Meeting the needs of pupils with medical conditions
- Intimate Care
- First aid
- Educational visits including overnight stays

14. STATUTORY FRAMEWORK

This policy has been devised in accordance with the following legislation and guidance:

- [Working Together to Safeguard Children](#) DfE (July 2018)
- [Keeping Children Safe in Education](#) DfE (2020)
- [Norfolk Safeguarding Children Partnership procedures](#)
- [Norfolk Safeguarding Children Partnership Protocol: Allegations Against Persons Who Work with Children](#)
- [Guidance for Safer Working Practices for Adults who work with Children and Young People in Education Settings](#) (May 2019)
- [What to do if you're worried a child is being abused](#) DfE (March 2015)
- [Information sharing: advice for practitioners providing safeguarding services](#) DfE (July 2018)
- [The Prevent duty: Departmental advice for schools and childcare providers](#) DfE (June 2015)
- [Mandatory Reporting of Female Genital Mutilation- procedural information](#) Home Office (December 2015)
- [Sexual violence and sexual harassment between children in schools and colleges](#) DfE (May 2018)
- [Child sexual exploitation: guide for practitioners](#) DfE (February 2017)
- [Teaching online safety in school](#) DfE (June 2019)
- [Mental Health and Behaviour in Schools](#) DfE (November 2018)
- [Data protection: toolkit for schools](#) DfE (September 2018)

For Child Protection Officer to complete:

Action:

Appendix 2 amended for COVID-19 period

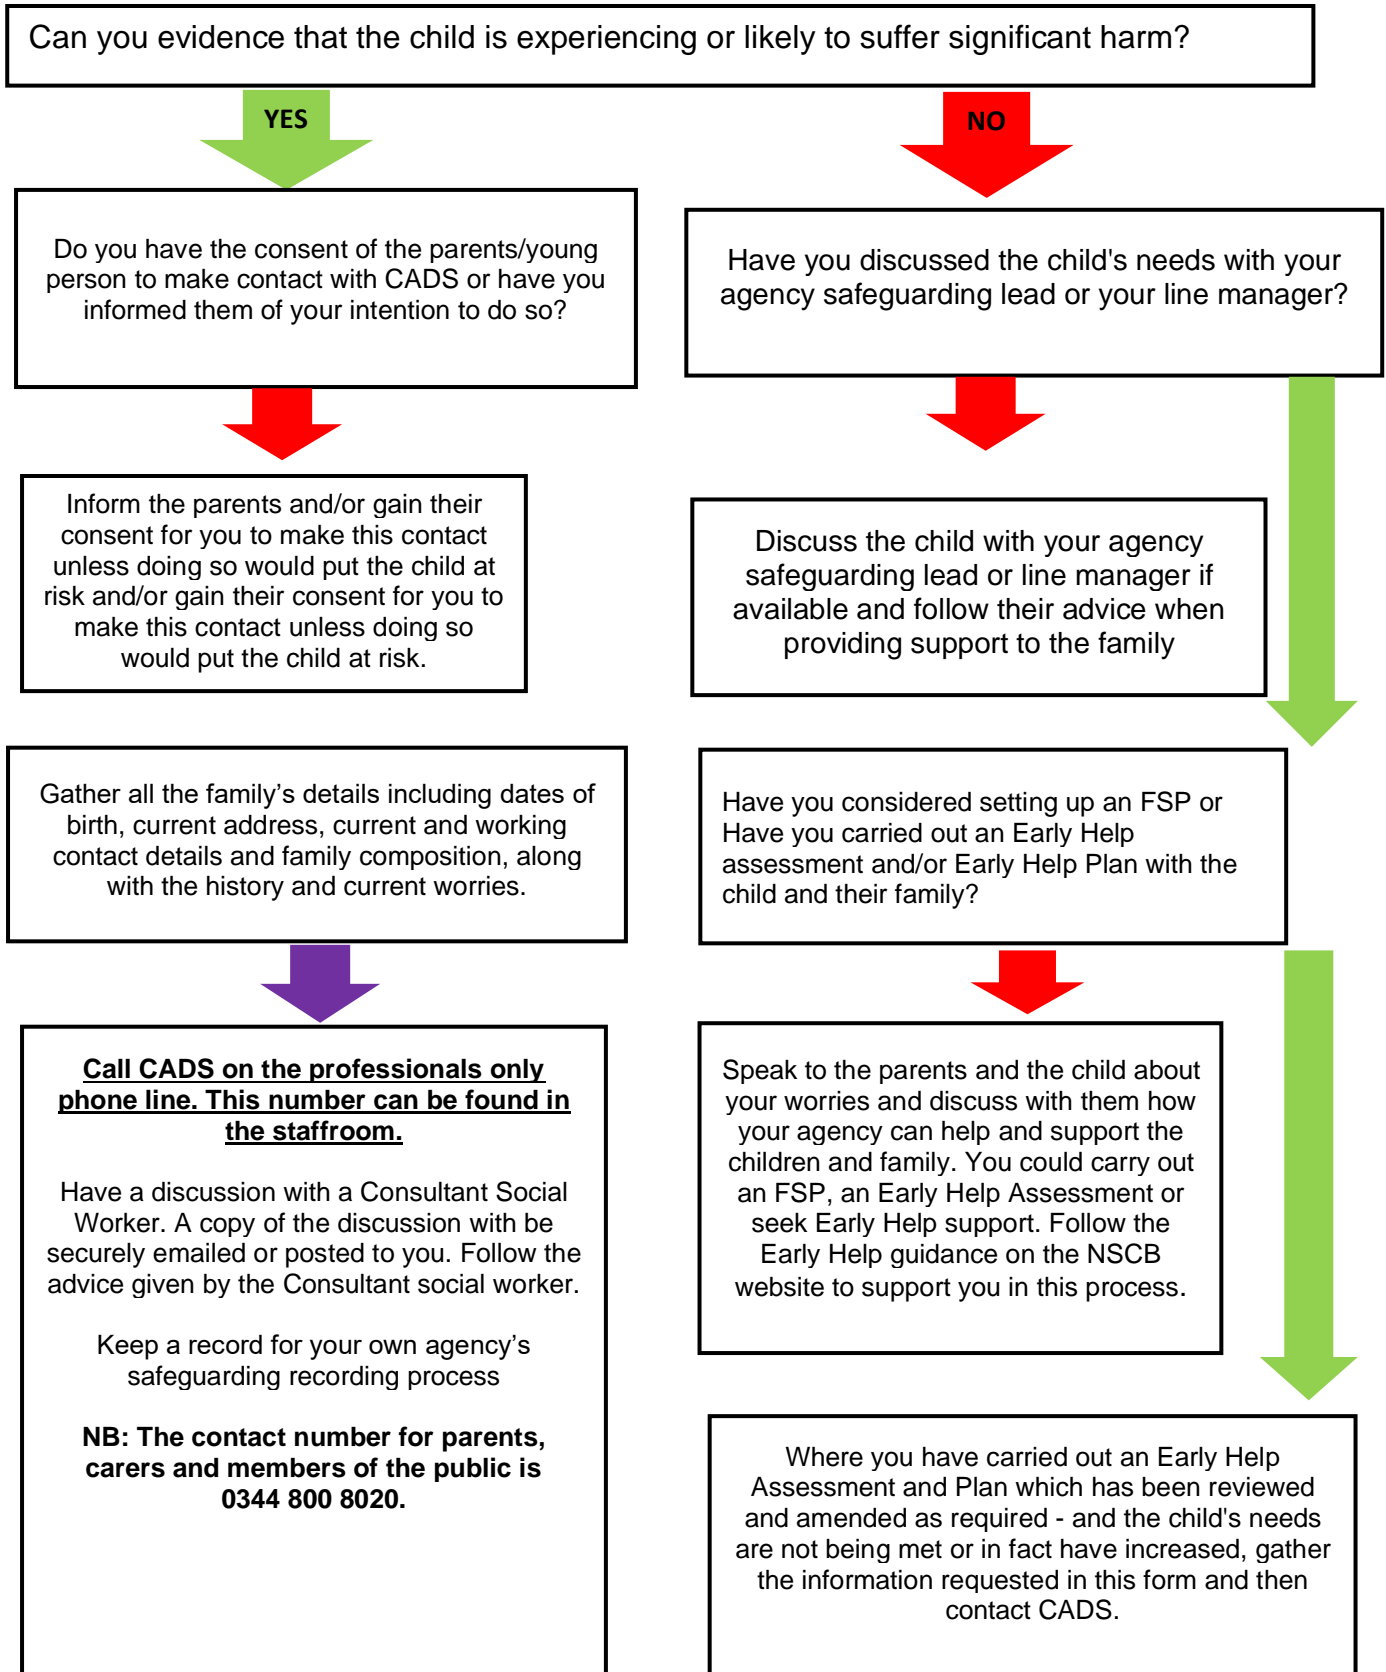

Safeguarding Procedures

Please follow the guidance below to record any safeguarding concern, including issues related to bullying to ensure all issues around bullying, particularly homophobic bullying are logged. Our lead safeguarding officer is Helen McCarney (Head Teacher) and we have several other designated safeguarding officers across the federation (Sarah Clafin & Anna Gooch – Deputies, Sarah Lewis & Ollie Bennison - Assistant Head Teachers and all year group specific pastoral team members). **No concern should ever be passed on verbally.**

Appendix 3: Children's Advice and Duty Service- CADS

Before contacting CADS, please answer the following questions and follow the advice provided:

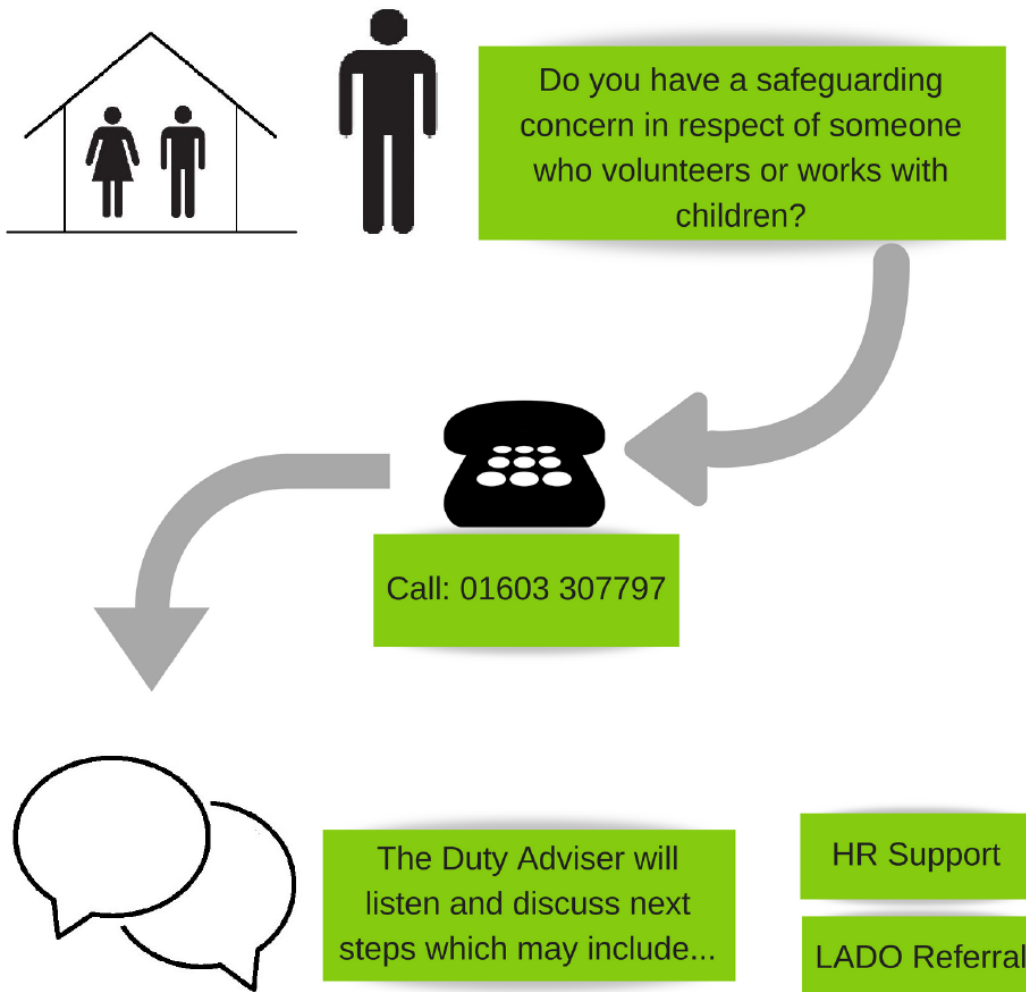

Appendix 4: Advice for schools, colleges and alternative education providers where there are concerns about an adult who works within the setting.

Guidance for Schools, Colleges & Alternative Education Providers

Education Quality Assurance & Intervention Service

Duty Desk

Appendix 5: COVID-19 school closure arrangements for Safeguarding and Child Protection All Angels Federation

This section of the whole school policy was created in response to Covid-19 and agreed by the Governing Body on [insert date]. It will be kept under review as circumstances continue to evolve in line with national and local guidance and should be read in conjunction with the full policy document.

Head Teacher

Date:

This appendix to our Safeguarding and Child Protection Policy contains additional information about our safeguarding arrangements in the following areas:

- 5.1 Context
- 5.2 Key Contact Information
- 5.3 Vulnerable children
- 5.4 Attendance monitoring
- 5.5 Designated Safeguarding Lead
- 5.6 Reporting a concern
- 5.7 Staff Safeguarding Training and induction
- 5.8 Safer recruitment/volunteers and movement of staff
- 5.9 Children Moving Schools
- 5.10 Online safety

5.1 Context

From 5th January 2021 parents were asked to keep their children at home, wherever possible, and for schools to remain open to provide care for a limited number of children; children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home. From 8th March all children have been asked to return, but this document continues to be pertinent, over the pandemic.

PURPOSE & AIMS

The COVID-19 appendix has been adopted by governors to cover the period of time until children return to school-based education, or the government release alternative guidance to school staff on their safeguarding duties. The purpose of the COVID-19 appendix of the All Angels' Safeguarding Policy is to ensure every child who is a registered pupil at one of our schools is safe and protected when remote learning in home settings. In addition to this, it is to protect our staff when using online conferencing software when communicating with pupils and parents. Finally, the policy will aim to address procedures for vulnerable children who do not attend the school. Vulnerable children have been categorised by The Government as children with an assigned Social Worker and/or Educational Health Care Plan (EHCP).

The Federation's COVID-19 appendix and the Government's 'Coronavirus (COVID-19): safeguarding in schools, colleges and other providers' guidance (published 27 March 2020, updated 20th May 2020) do not replace the Federation's Safeguarding Policy or Keeping Children Safe in Education 2020, but provide additional safeguarding guidance. This appendix will give clear direction to staff, visitors and parents about expected behaviour and how staff will safeguard and promote the welfare of all children whilst they are being educated at home. This appendix is an extension of the All Angels' Federation Safeguarding policy and directly links to the schools' E-Safety Policy, both of which can be found on the schools' websites.

5.2 Key Contact Information

ROLES AND RESPONSIBILITIES		
<u>Role</u>	<u>Name</u>	<u>Contact details</u>
Head Teacher Designated Safeguarding Lead (DSL)	Helen McCarney	head@allangelsfederation.org.uk 01603 745812
Deputy DSLs at St. Michael's	S. Claflin O. Bennison S. Lewis P. Stapleton C. Francis K. Brabbin	01603 745812
Deputy DSLs at Clover Hill	A. Gooch D. Inger V. Chaplin K. Frary	01603 745559
Named Safeguarding Governors	L. Johnson B. Earley	Please contact the school office Please contact the school office
Chair of Governors	R. Games	Please contact the school office

5.3 Providing School places for Vulnerable Children

For the purposes of this guidance, vulnerable children include those who have a social worker and those children and young people up to the age of 25 with EHC plans, in line with the [DfE guidance](#).

At All Angels' Federation we will risk assess the needs of all pupils with an EHC plan in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. In line with Government guidance, we appreciate that many children and young people with EHC plans can safely remain at home.

At All Angels' Federation our Designated Safeguarding Leads and other Senior Leaders will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children.

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at increased risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and school staff will explore the reasons for this directly with the parent. Where parents are concerned about the risk of the child contracting COVID-19, school staff and/or the child's allocated social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Our Designated Safeguarding Leads know who our most vulnerable children are. As a school, we have the flexibility to offer a place to other pupils we identify as being vulnerable who may be on the edge of receiving children's social care support.

5.4 Attendance Monitoring

In line with the DfE guidance, 'Recording the attendance in the school attendance register during the coronavirus outbreak', we will resume taking an attendance register using the appropriate codes to record attendance and absence in the attendance register. We will submit daily attendance figures to the DfE using the educational setting status form by midday every day.

At All Angels' Federation our DSLs will continue to liaise with allocated social workers and will agree with parents/carers whether children in need should be attending school. School staff will then follow up on any pupil that we were expecting to attend, who does not in line with our usual attendance procedures. We will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend. This will be done through our usual attendance procedures by sending a text message to the family. In some instances, a phone call or doorstep visit may be conducted. In all circumstances where a vulnerable child does not take up their place at school, or fails to attend as expected, school staff will notify the child's allocated social worker and agree a plan to contact the family. To enable us to effectively support the attendance of all children, we will ask parents/carers to confirm that emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

5.5 The Designated Safeguarding Lead

We have identified key designated contacts for safeguarding at our school in section 4.2. of this guidance.

We aim to have a trained DSL (or deputy) available on site whenever possible. We recognise however that this may not be possible, and where this is the case, we will endeavour to ensure that a trained DSL or deputy from the school or college can be available to be contacted via phone or online when they are working remotely from home. In some circumstances we might also work with other settings to share trained DSLs or deputies with other schools or colleges (who should be available to be contacted via phone or online video).

Where a trained DSL or deputy is not on site, a senior leader will take responsibility for co-ordinating safeguarding arrangements in place on-site. This might include updating and managing access to child protection/ our online safeguarding management information system, liaising with the off-site DSL (and/or deputy) and, as necessary, liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school or college.

We will ensure that all staff and volunteers know how to contact and have access to advice from a trained DSL (or deputy). Each day, staff will be made aware of who that person is and how to contact them.

We will continue to work in partnership with children, parents and other agencies to safeguard and promote the welfare of children. Our DSLs will keep up to date with the latest [Norfolk Safeguarding Children Partnership advice](#) and guidance from the LA. Our DSLs will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely in line with the NSCP guidance on attending and contributing to [child protection conferences](#) and [Developing Child Protection Plans](#).

In line with the Department for Education guidance, for the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

5.6 Procedures for Reporting Concerns

The principles for responding to safeguarding concerns as outlined in Section 5 of the main body of the safeguarding policy still apply. When concerned about the welfare of a child, staff members should always act in the interests of the child and have a responsibility to take action as outline in this policy.

During this unprecedented time, when the majority of children will not be physically attending school, staff are reminded of the need to report any concern immediately and without delay in line with our usual procedures.

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk including at risk from peer on peer abuse and exploitation. Any such concerns should be dealt with as per the child protection policy and where appropriate referrals should still be made to children's social care and as required the police.

Reporting

Staff with any safeguarding concerns will report them in using the online safeguarding platform: Child Protection Online Monitoring and Safeguarding (CPOMS). All staff are CPOMS trained. All staff continue to have a duty to recognise, respond and report all concerns immediately.

In the highly unlikely event that the CPOMs site crashes, staff will inform the Head Teacher that they have a safeguarding report to make via email. No names or details should be provided in the email and the Head Teacher will have a telephone conversation with the staff member. This is in order that the necessary information can be passed on to Children's Services if required and in order to ensure that it is logged at a later date.

As well as continuing to look out for signs that a child may be at risk or suffering from harm and abuse, in line with the schools' safeguarding policy and safeguarding training, staff are encouraged to look out for additional signs of safeguarding concern which may be unique to lockdown. For example, if sending school work home, a teacher receives no interaction back and no work is being completed online then, this would be deemed a concern. Concerns such as these must be reported to a DSL on CPOMs.

The Designated Safeguarding Leads (DSLs)

During this period of distance learning, a DSL will check CPOMs daily to ensure safeguarding information is reviewed and acted upon if required.

In following up safeguarding concerns with parents, carers and children, the DSL may:

- Phone the parent for a conversation;
- Schedule and hold an online meeting with a parent or carer through Zoom;
- Schedule and hold an online meeting with the child/children

A record of these conversations will be recorded on CPOMs (further protections in section 'Safeguarding Procedures Using Online Communication Software').

Risk Assessed Contact

Contact with parents will be made based upon a graded risk assessment based upon a child's previous safeguarding history, i.e. previous school attendance and whether they have special educational needs. Each child will be discussed by the DSLs and given a risk assessment grading (level one being the lowest risk). Level one, two and three actions will be carried out by a Designated Safeguarding Lead.

Level Zero Grading

- Admin. staff will send a weekly text to remind parents/carers to call the school if they are finding circumstances overwhelmingly challenging or have safeguarding concerns.

Level One Grading

- Weekly call to check in with parents/carers
- Directly ask about the welfare of each child registered at the school
- Offer advice and signpost, if needed

Level Two Grading

- Twice weekly call to check in with parents/carers
- Directly ask about the welfare of each child registered at the school
- Offer advice and signpost, if needed

Level Three Grading

- Weekly call to check in with parents/carers
- Directly ask about the welfare of each child registered at the school
- Weekly Zoom meeting all children registered at the school
- Offer advice and signpost, if needed

If parents are uncontactable, or a child registered at the school is not present during a Zoom meeting, a Designated Safeguarding Lead will attempt contact on the next school day. The DSL should send a text before the second call to remind parents of the importance of answering the phone. Every attempt should be made to gain contact, including using other known contacts.

If contact still cannot be made, this will be deemed a serious safeguarding risk and contact will be made with either the family social worker or Children's Services. Home visits are dependent on Covid rules.

Safeguarding Procedures Using Online Communication Software

Tapestry and Class Dojo Zoom are the only online communication software where staff may engage with children and parents/carers.

Only the following Zoom settings should be on:

- Embed password in meeting link for one-click join
- Mute participants upon entry (video and audio)
- Upcoming meeting reminder
- Screen sharing – HOST ONLY
- Non-verbal feedback
- When a meeting is cancelled notify participants

DSLs Setting only:

- Automatic recording (DSL setting only)
- Local recording (DSL setting only)

(DO NOT enable Host as can give participants the permission to record locally)

All other settings must be turned off for safeguarding reasons.

DSL Zoom meetings

Parents are to be invited and children are to be invited sending a Zoom invite to the parent's email using the personal ID. This must only be sent to the parent's email address. **You must state whether the meeting is for the child or parent in the email subject bar** e.g. Zoom meeting requested with your child. Creating a clear email trail is important in protecting staff from allegations. Parent emails can be accessed on Pupil Asset. Parents who don't have one listed can be contacted to obtain.

- All sessions with children must be recorded on Zoom (see automatic setting above).

- Ensure all online sessions with children are written up on CPOMs, including their wishes and feelings, if completed. The recorded Zoom session can then be securely held on CPOMs. Ensure it is deleted from school devices once this is complete. This is important to keep children safe and to protect staff from allegations. Following normal child protection procedures, contact any external agencies if appropriate if any safeguarding concerns arise from these sessions
- Ensure that the 'chat function' is turned off in your settings.
- Staff will ensure that they are appropriately dressed and that there is nothing visible on screen that could be considered inappropriate.
- Staff will ensure that the child/children and adults are appropriately dressed. The session should be ended immediately if this is not the case and there will be communication with parents/carers regarding this. This will be recorded on CPOMs.
- Complete wishes and feelings verbally with children, taking notes if necessary.
- All one to one pupil sessions will end with a reminder on how children can seek help if they need e.g. by calling Child Line 0800 1111.
- If a DSL believes there has been a breach in safeguarding protocols e.g. the chat facility was left on, this must then be logged and linked to the child on CPOMs.

Group Teaching Sessions

- Invites for meetings are directed through the parent/carers email using a personal ID, or through Tapestry and Class Dojo. We will provide a weekly schedule of meetings to parents, so they are aware of when they are planned to occur.
- One to one teaching sessions must be recorded, with prior agreement with the parent/carer and school. Otherwise, **no one to one teaching sessions will occur**. The teaching session must end if children leave and only one child remains.
- Ensure that the 'chat function' is turned off in the settings.
- If a teacher believes there has been a breach in safeguarding protocols e.g. the chat facility was left on, this then must be logged and linked to the child on CPOMs.

Where there has been repeated reports on CPOMs from a staff member around staff regarding procedure breaches, then their permission to use Zoom will be removed and this will be formally communicated through email by either the Deputy Head Teacher or Head Teacher.

Parents/Carers

- Children and staff are safeguarded by ensuring that links to online meetings are only ever sent to parent/carer emails, Class Dojo or Tapestry.
- Parents/Carers will ensure that both they and their children are appropriately dressed.

□ It is essential that parents remain in the room for all group teaching sessions. If this cannot happen, then parents should not allow their child to join the online learning session. This is not necessary for DSL meetings with children as these will be recorded.

□ Parents/Carers will be responsible for ensuring work that is uploaded on Tapestry and Class Dojo is appropriate.

Parents should be talking to their children about not accessing age-inappropriate material on devices

- knowing who their children are talking to online
- setting up age-appropriate parental controls on digital devices

Internet filters should be used to block malicious websites. These are usually free, but often need to be turned on.

Pupil Voice

Pupils must be made aware of the ways which they can seek help and support should they need to. All children were provided with the number for Child Line before the lockdown. Wherever there is opportunity, staff will continue to remind pupils with messages about the support Child Line provides and the free telephone support line: 0800 1111.

Staff are also reminded of the need to adhere to our Staff Code of Conduct and safer working practices guidance. Staff should continue to report any concerns they have about adults who are working with children in line with Section 12 of the safeguarding policy.

5.7 Staff Training and induction

All existing staff and volunteers have received a safeguarding induction and training. They have read part 1 of Keeping Children Safe in Education (2020) and are expected to continue to follow this guidance. The DSL will ensure that all existing staff receive this addendum to the safeguarding policy and will communicate any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers join our school, they will continue to be provided with a safeguarding induction as outlined in Section 4 of the main policy.

If staff are deployed from another education or children's workforce setting to work in our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic. This means that on arrival to our school, we will verify that they have received safeguarding training and they will be given a copy of our safeguarding policy and information about our procedures including information about our DSL arrangements.

5.8 Safer recruitment of staff & volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, we will continue to follow our safer recruitment and selection policy, the procedures outlined in Section 10 of the safeguarding policy and Part 3 of Keeping Children Safe in Education (2019).

In those circumstances where we continue to use volunteers in our school, we will continue to follow the checking and risk assessment processes as set out in paragraphs 167 to 172 of KCSIE and our own safer recruitment and selection policy. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

If staff are deployed from another education or children's workforce setting to work in our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic. This means that we will risk assess the movement of staff and seek written assurances from the current employer that the individual has undergone all the safer recruitment required checks as set out in Part 3 of KCSIE and there are no concerns about their suitability to work with children.

At All Angels' Federation we will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult in accordance with 'Keeping Children Safe in Education' (2019). We will also continue to make referrals to the Teaching Regulation Agency (TRA) in line with statutory guidance and understand that during the COVID-19 period all referrals should be made by emailing Misconduct.Teacher@education.gov.uk.

Whilst acknowledging the challenge of the current environment, we understand that it is essential from a safeguarding perspective that, on any given day, we are aware of which staff/volunteers will be in the school, and that appropriate checks have been carried out. We will continue to keep the single central record (SCR) up to date and use this as a means to log everyone that will be working or volunteering in our school or college on any given day, including any staff who may be on loan from other institutions. The SCR will also be used to log details of any risk assessments carried out on volunteers and staff on loan from elsewhere.

5.9 Children moving schools and colleges

Whilst we will endeavour to keep our school open, in some circumstances our pupils may need to attend another setting. In order to support children attending another setting during this time, the DSL will endeavour to contact the DSL at the receiving school to provide any relevant welfare and child protection information including any arrangements in place to support them. We will continue to pay regard to data protection and GDPR but these do not prevent the sharing of information for the purposes of keeping children safe.

As a minimum, we will ensure that the receiving setting has access to a vulnerable child's EHC plan, child in need plan, child protection plan or, for looked-after children, their personal education plan and know who the child's social worker (and, for looked-after children, who the responsible VSH is). This will ideally happen before a child arrives and, where that is not possible as soon as reasonably practicable. Where it is not possible for this exchange of information to occur between DSLs the identified senior leaders will take responsibility for this.

5.10 Online Safety

We recognise that it is more important than ever that we provide a safe environment for pupils including online. We will continue to ensure that appropriate filters and monitoring systems are in place to protect children when they are online via our IT systems and/or recommended resources.

The safety of pupils when they are asked to work online is of paramount importance. The same principles as set out in our staff code of conduct must be applied to all online teaching. All staff should ensure that they have read the staff code of conduct and associated [Safer Working Practice Guidance](#) and [DfE guidance 'Safeguarding and remote education during coronavirus \(COVID19\)'](#) and are clear about the acceptable use of technologies, staff pupil/student relationships and communication including the use of social media.

We will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

We will ensure that children who are being asked to work online have very clear reporting routes in place so they can raise any concerns whilst online. As well as reporting routes to key school staff, we will also signpost children to age appropriate practical support from external organisations such as:

- [Childline](#) - for support
- [UK Safer Internet Centre](#) - to report and remove harmful online content
- [CEOP](#) - for advice on making a report about online abuse

We will also communicate with parents to reinforce the importance of children being safe online. In addition to this, parents will routinely be sent information on online safety from the National Online Safety website. We will ensure that parents and carers are aware of what their children are being asked to do online, including the sites they will be asked to access as well as who from the school or college (if anyone) their child is going to be interacting with online.

Where parents and carers choose to supplement the school's online offer with support from online companies and in some cases individual tutors, we will emphasise the importance of securing online support from a reputable organisation/individual who can provide evidence that they are safe and can be trusted to have access to children.

We will signpost parents and carers to advice what will help them keep their children safe online including:

- [Internet matters](#) - for support for parents and carers to keep their children safe online
- [London Grid for Learning](#) - for support for parents and carers to keep their children safe online
- [Net-aware](#) - for support for parents and carers from the NSPCC
- [Parent info](#) - for support for parents and carers to keep their children safe online
- [Thinkuknow](#) - for advice from the National Crime Agency to stay safe online
- [UK Safer Internet Centre](#) - advice for parents and carers
