Covid Restrictions to continue for the rest of term

Dear Parents and Guardians,

As you will now know, the Prime Minister has delayed the removal of all Covid restrictions for an additional 4 weeks. While this may not have been what we wanted to hear, we all need to follow this advice.

This advice has implications for our schools.

Parents will not be able to attend events in school like sports afternoons, summer fair or performances as people cannot meet in larger groups.

We are still expecting people to socially distance on the school grounds.

We will not be asking parents to wear face coverings outside on school grounds when they drop off or collect children.

Thank you for all you have been doing to keep everyone safe – hopefully we will be out of restrictions soon!

Kind regards

HJ McCarney
