

At St.Michael's we love outdoor learning! We have two members of staff who are fully trained in delivering engaging and exciting Forest School sessions. Forest School enables all children to benefit from increased opportunities for high quality and varied educational experiences in the natural world.

Mr Jackson leads a Forest School Maths lesson.

Our Forest School sessions increase children's confidence, team work and communication skills. Teachers use them to enhance Maths and English learning, as well as other areas of the curriculum.

Children can learn to appreciate and care for the world around them and will take with them memorable and enjoyable experiences to cherish. As the cold weather sets in, we just need to make sure we are wrapped up warm!

Keep up-to-date with what's going on at St.Michael's by following on Facebook and Twitter (@SJuniorschool).

Happy holidays and Happy New Year from all the staff and pupils!
