THE SCHOOL KEEPS ME WELL INFORMED?

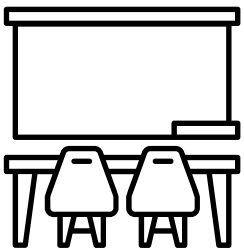

HOW THE SCHOOL COMMUNICATES WITH ME ABOUT MY CHILDS PROGRESS AND ATTAINMENT.

1 Class DOJO

Class DOJO is our online platform we use to regularly communicate.

- Teachers share updates, messages, and photos with parents via the app, providing a window into the classroom.
- It allows for one-to-one messaging, fostering better communication about your child's progress.

2 Open Classroom

We hold open classroom session each term. This is a opportunity to look at your child's books. A chance to learn more about the classroom environment and have informal conversations with the teachers and team.

3 Parent consultations

We have parent consultation evenings where you can arrange 1 to 1 meetings with your child's class teacher. This can be done in person or over the phone.

4 Phone or Message

You can always contact the school office to arrange to discuss your child at anytime during the year or message the class teacher directly on DOJO

5 Reports

You will receive a Mini report in December and March and a full report in July updating you on academic progress, attendance, national curriculum assessment results (where applicable), and comments on behaviour and development.
