PLANT A SEED WEEK

It's plant a seed week at St Michaels, in the lead up to the Easter holiday.

Pupils can visit Miss Dunseath in the forest school area at lunch time on their year group day (***Monday Year 6, Tuesday Year 5, Wednesday Year 4, Thursday Year 3***) or see Miss Turton on the playground at break time to plant a seed.

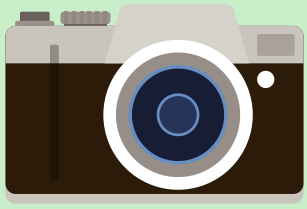

Pupils can take the seed they have planted home, nurture it, (place on a windowsill and water to keep the soil wet), watch it grow and celebrate nature as it comes back to life and wakes up for the Spring and Summer months.

Send or bring a photo into school to show us how your plant is doing

SCIENCE POSTER COMPETITION

The children have created beautiful posters for the science competition under the theme '**change and adapt**'.
They have been judged on creativity in approach, content and effective communication.
Each poster has had a lot of thought and effort put into it.
Well done to you all.

The winner from each year group will be announced in Friday's assembly and that poster will be entered into the British Science Association 2025 competition.
