This half terms British Value

Democracy

Focus: Everyone has a voice and we make fair choices together

All schools across the country must promote the British values. This term our focus is on democracy. We are helping children to understand how decisions are made fairly and to be part of this process.

Already this term, children have voted to elect their representatives for School Council, Eco. Council, and Culture Society. Over the coming weeks, children will have a chance to vote on ideas that will be discussed by each council, just like when Members of Parliament raise issues in the House of Commons. Through these activities, pupils are helping to shape school life while learning how democracy works in practice.

Open School Sessions -

Clover Hill Open School sessions for prospective parents Thursday 18th September 9.15- 10.30am and 3.30 - 5.00pm.

St Michael's Open sessions for prospective parents Wednesday 15th October 9.15-10.30am and 4.00 - 5.30pm.

Admissions for Reception September 2026 opens this month. Children attending Clover Hill have priority admissions to St Michael's. We have very few spaces at St Michael's in year 3 which may mean that if your child attends another school, they may not get a place at St Michael's when they move to year 3.
We also help families with Breakfast and After School provision and transport between the schools.
Admission to Junior School opens in November.
