NO MOBILE PHONES

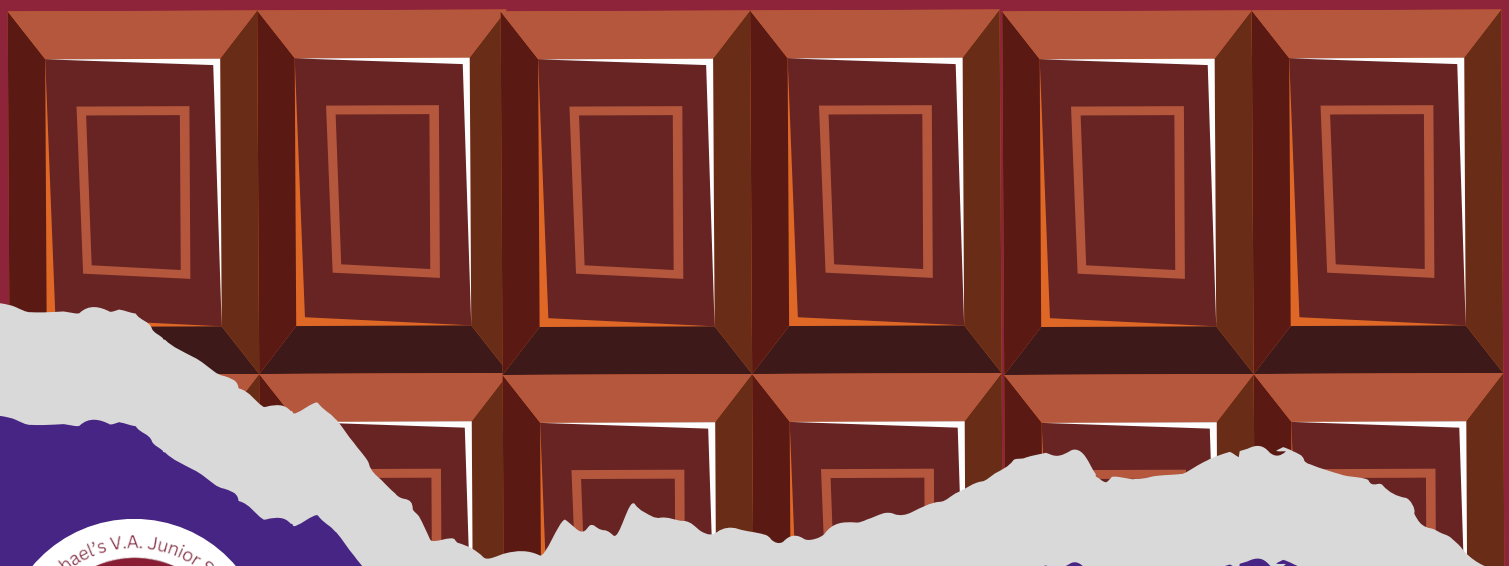

We remind parents and children that we do not allow children to bring their phones to school.

This is a common policy in schools due to safeguarding reasons.
Unfortunately, there have been some pupils in the past who have used their phones inappropriately in school, leaving other children and staff vulnerable. In addition, school staff cannot be held responsible for the safekeeping of mobile phones.

Some parents state that they want to know if their child has got home safely. If you have any worries about your child's safety, it may be best to pick them up from school or arrange for them to walk with others.

Should there be **exceptional circumstances** requiring the need to bring a phone to school, we will need you to state these in an email to the school office addressed to Mrs McCarney.
