PUPIL VOICE AND BRITISH VALUES

Next half term, children will be taking part in **maypole dancing**. This joyful activity links to the **British value** of respecting and **celebrating our shared cultural heritage and traditions.**

We will also be focusing on the **British value of individual liberty**. To support this, children will be **invited to choose what they wear for this special day in school**, expressing who they are and what matters to them. This could include favourite colours, football kits, fancy dress, or traditional cultural clothing. Children are also welcome to create additional accessories to complement their outfit, such as hats, badges, flags, jewellery, face paint, or decorated items that reflect their interests or heritage.

We are excited to see children embracing the opportunity to express themselves freely and confidently - coming to school as they are.

Workshops such as these come at a cost to the school. If parents or carers would like to make a voluntary contribution to support events like these, please log on to ParentPay.

All support helps us to continue to put on exciting events for the children.
