NEW WELLBEING ROOM

Mrs Claflin, our new headteacher, is delighted to announce the opening of our Wellbeing Room.

This will be an alternative pupil entrance for children who are struggling to come in to school in the morning.
We understand that from time-to-time children may face challenges, worries or difficulties that may make attending school harder.

If you arrive at school, and your child needs support, please come to the gate by the main office. You will be greeted on the gate by a member of our Pastoral team, who will take your child into the Wellbeing Room before class. Children will also be allowed to use the Wellbeing Room during the day if they need a moment of calm.
Mrs Claflin is committed to working closely with families to support children's emotional wellbeing.
