Whatis Pride in Place?

Over the next ten years, Central Government investment of £20m in Bowthorpe and West Earlham will support long-term, community-led change based on local priorities, strengths, and ambitions. Pride in Place is resident led. Decision-making responsibility is held by an independent community neighbourhood committee made up primarily of local residents.

The West Earlham and Bowthorpe (WEB) Committee will develop the priorities set by the community and guide investment decisions across the life of the programme. For more information see www.webprideinplace.co.uk
